Principal's Message

Dear Bullpup families,

We have had a great time getting to know your children and watching them grow as GLA Bullpups! Our school year has had a very smooth start, and we look forward to continuing to partner with you for your child's success. Please let us know if we may be of assistance this year by contacting the office or your child's teacher. We believe a positive family-school partnership is essential to your student's success!

Good attendance and parent involvement are two of the biggest keys to academic success. Please make sure your student is here by 7:30 AM and picked up by 2:30 PM. If your child needs to miss a day of school, please call the office by 8:30 AM to let us know! We will contact families whose students miss more than five school days, as research indicates that is a critical time to focus on a child's attendance.

Our students have been working hard to learn the "GLA Way" and what it takes to be successful at school! Thank you for encouraging your child to REACH their potential!

Sincerely,
Angie Oliver
Principal

GLA Spirit Wear for Sale! Red T-shirts for \$5

Spirit shirts are **now acceptable** every day in our uniform policy! Shirts can be purchased in the school office. Please direct questions to Mrs. Sara Scheller!

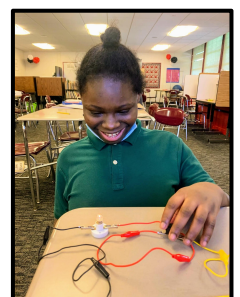

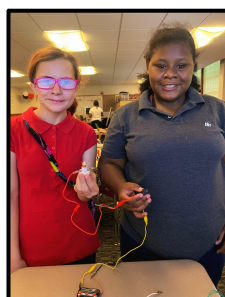

Behind the Scenes

Parent Info Night - Title I Annual Meeting

Wednesday, September 21

5:30-7:00 PM

- Meet teachers & staff
- Discover important Title I info
- Share a pizza dinner with your GLA family!

SEL Tip for Home

SEL = Social & Emotional Learning

Celebrate the small stuff! Find 2-3 small things to celebrate with your kids each day! Share your highlights with each other - you can even start a grateful journal! Research indicates we develop resilience to negative events when we recognize the good in our life too!

Academic Tip for Home

Read for 20 minutes every day with your child! This is very important for kids of all ages. Reading for 20 minutes each day increases test scores, builds empathy for others, creates a strong vocabulary, and boosts mental and physical health! Let us know if you need help getting books to read at home!

8th Grade Night! Thursday 9/29 5-6pm

8th graders and their families are encouraged to attend our 8th grade night! Mrs. Smith, our school counselor, will discuss high school options and requirements, the 21st Century Scholars program, and why Algebra matters as an 8th grader! Childcare will be provided for younger children, and we will have pizza & drinks too!!
